

GUYANA/BRAZIL ODYSSEY

Number of nights:11

Overview:

This cultural and natural history tour explores the Amazon region of Guyana and Manaus, Brazil. It captures the natural wonders in both countries. You will discover an amazing eco system, vast rainforests, the magnificent Kaieteur Falls which tumbles 741 ft into a gorge below. You will search for Jaguars, harpy eagle, black caiman, and giant otters in known habitats in jungles and savannahs and mighty rivers. An exciting experience await you at Manaus, the padarise of the Amazon;with its 17th and 18th century architecture an wonderful culture. These two combinations are worth the visit!
